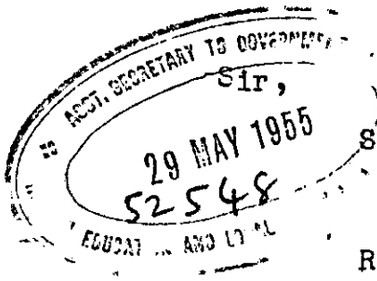
Ref.No. 40397-1-E1/55 dated 26-5-1955.



Sir,

Sub: Establishment - Government Tuberculosis Sanatorium, Mudisheddi, South Kanara District - District Medical Officer, South Kanara to be incharge Conveyance allowance - Sanction - Requested.

Ref: G.O.Ms.No. 3403 P.H. dated 26-9-1949. (E)

In the G.O. cited the Government sanctioned the construction of a Tuberculosis Sanatorium, at Mudisheddi in the South Kanara District. The above Sanatorium was opened A| on 29-4-1955. The Sanatorium is located at a distance of about 7½ miles from Mangalore town. Two Assistant Surgeons are attached to the Sanatorium. The District Medical Officer, South Kanara has now raised a point as to whether he should be the Superintendent of the Sanatorium in addition to his own duties and visit the same or whether he should treat the institution just like a Taluk Headquarters Hospital within the District. If the latter arrangement is to be given effect to, the seniormost among the two Assistant Surgeons will have to hold administrative charge of the Sanatorium.

2. I have to state that the Tuberculosis Sanatorium at Mudisheddi is only at its start and two Assistant Surgeons are attached to the Institution one a fairly senior Assistant Surgeon and the other a junior. They may for the time being, B frequently require the assistance and guidance of the District Medical Officer for organising and running the institution on proper lines. I consider that at least for sometime the institution must be under the direct administrative control of the District Medical Officer. I therefore recommend that the District Medical Officer, South Kanara may be appointed also as the Superintendent of the Government Tuberculosis Sanatorium, Mudisheddi.

As the District Medical Officer may have to incur additional expenditure towards conveyance, I recommend that he may be paid a conveyance allowance of Rs.50/- per mensem for the additional work. The sanction may take effect from the date on which the sanatorium was opened i.e. 29-4-1955.

Yours faithfully,

Sangham Lal

Director of Medical Services.

...MENT--Government, T.B. Sanatorium, Mudisheddi, South Kanara District--D.M.O., S.K. to be incharge of the Sanatorium--Payment of conveyance allowance--Regarding.

From the D.M.S., Ref.No.40397-1-E1/55 dated 26-5-1955.

*****

The proposal in this file relates to the appointment of the District Medical Officer, South Kanara as the Superintendent of the T.B. Sanatorium Mudisheddi and the payment of Rs.50/- p.m. as conveyance allowance to him.

2. In G.O.Ms.No.3403 Public Health date -49 the Government sanctioned the construction of a T.B. Sanatorium at Mudisheddi in the S.K. District. The Sanatorium was opened on 29-4-1955. The D.M.S. reports that the T.B. Sanatorium at Mudisheddi is only at its start, that two Assistant Surgeons are attached to the Institution, one a fairly senior Assistant Surgeon and the other a junior, that the Assistant Surgeons may require the assistance and guidance of the D.M.O. for organising and running the institution on proper lines and that at least for sometime the institution must be under the direct administrative control of the D.M.O., South Kanara. The D.M.S., therefore recommends that the D.M.O., South Kanara may be appointed also as the Supt. of the Government T.B. Sanatorium, Mudisheddi and he may be paid a conveyance allowance of Rs.50/- p.m. for the additional work, with effect from the date on which the Sanatorium was opened i.e. 29-4-1955.

3. This Department may support the proposal of the D.M.S. at 'X' above the file may be sent to Finance for remarks.

DEPUTY SECRETARY TO GOVERNMENT 1 JUN 1955 FIN...DEPARTMENT

The Mudisheddale Sanatorium is situated at a distance of 7½ miles from Mangalore Town

Finance (C.S.R.)Dept.

With reference to the proposal of H.E.L.A. on X overleaf, a conveyance allowance is intended to be given in cases, where the Officers have to be regularly moving about in urban areas, and in consequence have to maintain a suitable conveyance. In this case, the T.B. Sanatorium, Mudisheddi is reported to be situated about 7½ Miles away from Mangalore. It is a small institution with only 25 beds atpresent and there are already 2 Assistant Surgeons attached to the institution. In view of the distance between the 2 Stations and the small size of the Sanatorium , it is obivious that the D.M.O's. visits to the institution will be very occasional and formal and this aspect does not justify the grant of conveyance allowance. It seems more appropriate and economical to appoint one of the Assistant Surgeons as Superintendents of the Sanatorium, the D.M.O. ~~is~~ exercising general control as in the case of other Taluk Head-quarters institutions. For his occasional visits, he may be allowed to draw T.A.(D.A. admissible under the M.T.A. Rules). H.E.L.A. may issue orders accordingly.
